Dear Parents/Guardian,

Uinta 4 has become aware of a troubling post that has been shared widely this week on the social media platform TikTok. The post refers to a threat to school safety “for every school in the USA, even elementary,” on Friday, December 17. The post appears to be part of a national TikTok trend and did not originate in our school district. While we do not believe the threat to be credible, we are closely monitoring the situation and taking it seriously. I have been in contact with the Mountain View Police Department who in turn has shared this information with the Uinta County Sheriff’s Department and the Wyoming Highway Patrol. I have requested an increased police presence in our buildings and on our grounds on Friday as an added precaution.

If you or your child become aware of any potential threat posted to social media or anywhere else, please notify law enforcement, a school staff member or a trusted adult immediately.

As always, thank you for your partnership as we work to ensure a safe, secure, and positive learning environment for our students.

Sincerely,

Jeffrey M. Newton
Superintendent
Uinta County School District 4
